## Greetings

### Honorable Paul L. Griffin, Jr. – International President

“Celebrating the Dream” is the theme for Conclave 2009 in New Orleans! Our families, guests and sponsors will also gather in the Crescent City to help us celebrate the convening of our 95th Anniversary Conclave. We will have a good time, take care of business and explore the culture of one of the most historic cities in the United States. The official dates are July 6-12, 2009 at the Sheraton New Orleans Hotel (500 Canal Street). This Conclave will be the best ever!

Our great and noble Founder, The Honorable A. Langston Taylor, had a dream to create a Fraternity. His dream became reality and we will continue to celebrate his dream for years to come. This Conclave will be particularly special given that it will be our first international gathering since our country's General Election of 2008, when the first African-American (Senator Barack Obama - Illinois) was elected to our nation's highest office -- the Office of President of the United States. You will not want to miss the opportunity to be a part of this historic Conclave. To commemorate this momentous achievement, we will capture all of our 2009 Chapter Presidents in a historic photo. The photo will be published in our Fraternity's Organ, the Crescent. It's a great time to be a President.

Those who have seen pictures of the damage in New Orleans which was caused by Hurricane Katrina know the continuing need for housing. In keeping with our Fraternity's international theme, “The Power of ONE: Sigma United for Next Level Service”, you will have an opportunity to be a part of constructing a new home for a local resident. Our community service project will be a collaborative effort with Habitat for Humanity. The home will be under construction while we are in the City on Tuesday, July 7, 2009 and we anticipate your involvement to help build this home. You also have an opportunity to donate to this worthy cause when registering for Conclave New Orleans, as the members of Phi Beta Sigma will fund 100 % of the cost for constructing this new home. We encourage you to make a generous donation.

My Brothers, we have a lot of work to do at this Conclave. Our international programs of Education, Social Action, and Bigger and Better Business will be discussed in detail. Further, we are excited about the leadership development which will be offered through our newly established Sigma Leadership Academy. Meetings will be held for the Phi Beta Sigma Federal Credit Union, the Distinguished Service Chapter, Life Members, the Phi Beta Sigma National Foundation, Inc. and the Sigma Beta Club Foundation.

We are looking forward to our collegiate Brothers learning more about the Fraternity and forging life long friendships and memories. Chapter Presidents and Advisors will strengthen their knowledge and skills of Fraternity operations.

Only financial brothers who are registered for Conclave New Orleans are eligible to vote, participate in the business sessions and have priority on room reservations at the Sheraton New Orleans Hotel. So, pay your 2009 dues so that you can have a voice and register now to ensure a room at the Conclave Hotel.

Brothers, use your power to make even Sigma greater! The Power of ONE is you. We wish you, your family and guests safe travel. Looking forward to seeing you in New Orleans!
